# ABOUT ME

Osseo is a musical project of Michael Galipeau started in 2019 after 20 years performing under the name Bleech. Osseo performs spiritually awakened music and enticing beats that ignite the senses and move the body, including psytrance, organic house, and psytech. Osseo is a spiritual being associated with the North American origins of the Fae. Specializing in multi-genre performance, Osseo has appeared in a wide variety of events including Return to Paradise, Evening Star: Festival of the Fae, Quantum Awakening Festival, the New York Harvest Festival, Love Burn, Barning Man and many, many more. Osseo is here to remind us that the connection we share is also with Mother Earth. Let us dance for peace and the healing of planet earth!
